- Dean's List for Fall 2016 and Spring 2017
- Recipient of Latino Alumni Scholarship and KBG Scholarship

RELEVANT COURSEWORK: Computer Programming, Programming Lab, Calculus I

## HIGHLIGHTED PROGRAMMING PROJECTS

### **Karnival Games**

Feb 2016 - Aug 2016

Delaware Division of Public Health & American Lung Association

- Constructed a digital series of educational board games using the Unity IDE and C# for my high school senior project designed to educate children about nicotine and tobacco products
- Self-taught programming and algorithm fundamentals in order to develop Karnival Games
- Earned honors such as game being published to the Delaware Youth Division of Public Health's website and leased statewide for public use

## WEB DEVELOPMENT EXPERIENCE

### **Content Migration Intern**

Nov 2016-April 2017

Edlio

Los Angeles, CA

- Transferred content such as text, images, videos, tables, and navigation links from clients' old websites to newer websites using the Edlio CMS and hardcoding.
- Constructed pages and navigation for elementary school, middle school, high school, and school district websites in the past, at a rate of up to 6 a day.
- Performed technical support and tickets with questions regarding the CMS, approximately 3 tickets a day.

## CUSTOMER SERVICE EXPERIENCE

### **Office Assistant**

Nov 2016-Present

Loyola Marymount University Department of Public Safety

Los Angeles, CA

- Maintained the front desk and acted as the first contact of the rest of the department's affairs.
- Associated with approximately 30 customers a day.
- Performed basic office tasks, facilitated temporary university cards, managed lost and found, and performed basic customer service.

### **Frontline / Drive Thru Cashier**

July 2015 - Aug 2016

Hardee's Restaurant

Seaford, DE

- Maintained either the front of the store or the drive-thru window.
- Serviced up to 300 customers a day.
- Performed several duties including: maintaining the cash register, taking orders from customers, preparing fried goods, passing out orders, and cleaning the entire front of the store.
- Closed the restaurant during the evenings and prepared the store for the next day through cleaning and stocking.
